**A Plain Language Guide
Transacting Business with
Agencies (1)**

INTRODUCTION AND

This Plain Language Guide covers
a wide range of business transactions
every issue that may arise for
employees, officers, and
the State of New Jersey
foundation on which a
employees, officers, and
regulations of the agency
will be required to certify
and regulations governing
Conflicts of Interest Law

Although the applicable law is complex,
difficulty following them

*You may not profit from
employee.

*You may not "wine and dine"

*You may not pay a State
or her official duties.

*You may not make illegal

*You may not profit, directly or indirectly,
confidential knowledge
illicitly disclosed.

*You should report any
State's ethics and business
calling the anonymous
